1. THE TOURNAMENT

The \$80 Feeder Tournament (the “Tournament”) is a live money handicapping tournament taking place on select Fridays when NYRA conducts live racing during 2026. Contestants must participate in the Tournament online at www.NYRAbets.com (the “Website”). The buy-in is \$80 per entry, of which \$40 will go to the contestant’s bankroll for wagering during the Tournament and the remaining \$40 will be included in the Tournament prize pool. One hundred percent (100%) of the prize pool will be paid out to eligible winning contestants in the form of cash and prizes (See Section 7). Any dollar amount remaining in a contestant’s bankroll at the conclusion of the Tournament will remain the property of that contestant. The Tournament is sponsored by The New York Racing Association, Inc. (the “Sponsor” or “NYRA”), P.O. Box 90, Jamaica, New York 11417.

2. ELIGIBILITY

The Tournament is offered only within the United States and is open to legal residents of the United States (in such jurisdictions where the Tournament is permitted by law) participating via the Website, who are at least 18 years of age (21 in Alabama, Indiana, and North Dakota) as of the registration deadline. Employees, independent contractors, officers, agents, and directors, and their immediate family members (meaning parents, children, spouses and siblings), of Sponsor, entities engaged in the development, distribution, implementation or administration of the Tournament or any Tournament prize, and their respective parents, subsidiaries and affiliates, are ineligible to enter the Tournament or to win a prize. The Tournament is subject to all applicable federal, state and local laws and regulations and is void where prohibited or restricted by law. By participating in the Tournament contestants agree to be bound by these Official Rules and by the Website’s terms and conditions.

3. HOW TO ENTER

To enter, contestants must register online at www.NYRA.com/contest and make the required payment of \$80 on or before the registration deadline of **the post time of the third Challenge Race on the Tournament date.** A maximum of two (2) entries are permitted per individual. At

the time of registration contestants must make their entries online via the Website. Contestants must have a valid NYRABets, LLC (“NYRA Bets”) wagering account in good standing and reside in a state where NYRA Bets wagering services are available. Contestants will not be permitted to play on-track with a contestant card. Only the first 500 entries will be accepted in the Tournament. For questions or assistance with registration and payment please contact the challenge director by email at challenge@nyrainc.com.

4. HOW TO PLAY

Tournament races include only those races run live at the NYRA track on the applicable **Tournament date** (the “Challenge Races”) and will conclude with the final race run at the NYRA track on the Tournament day. The only wager that is permitted is a \$4 win and place (WP) wager on a single horse in a Challenge Race. Contestants who fail to comply with these Official Rules, including the minimum wagering requirements set forth below, will be disqualified and ineligible to receive any prizes.

Before the end of the Tournament, a contestant must make a \$4 WP wager (totaling \$8 per transaction) per race on five (5) Challenge Races. Contestants wagering on more than five (5) Challenge Races with a \$4WP wager per Challenge Race (i.e., wagering more than \$40 in the Tournament), or making other wagers will be disqualified. If a contestant is unable to wager the required minimum amount (\$4 WP for a total of \$8) on each of five (5) Challenge Races due to a pool being unavailable such contestant will have the amount refunded removed from their final Tournament Score (defined below). For example, where a late scratch requires NYRA to eliminate place wagering in a Challenge Race, any contestant that has placed a Tournament wager on such race would retain a live \$4 win bet on a horse and their \$4 place bet will be refunded. In such event, the contestant’s \$4 bet to place will be deducted from their final Tournament Score (e.g., if a contestant’s actual bankroll was \$50.40 at the end of the Tournament, their Tournament Score bankroll would be \$46.40).

No simulcast races from other venues may be wagered upon for purposes of the Tournament. Contestants may select any of the Challenge Races for their Tournament wagers.

Any contestant that holds an ownership or other financial interest, whether directly or indirectly, in one or more horses entered to run in a Challenge Race shall not place any wagers in such Challenge Race for purposes of the Tournament, unless the applicable horse scratches out of such Challenge Race the morning of the Tournament. Each contestant is solely responsible for ensuring that their wagers are correct. If a contestant notices that their selected horse is scratched from the race for any reason, it is the contestant's sole responsibility to submit an alternative qualifying wager in accordance with these Official Rules. Contestants must place all wagers personally. No person shall, directly or indirectly, act as an intermediary, transmitter or agent in placing wagers for a contestant, unless expressly authorized by Tournament officials. The Tournament will be based on the official race results, placements and mutuel prices at the applicable NYRA track.

If a contestant is disqualified from the Tournament for any reason, the contestant's ability to place Tournament wagers will be suspended and any remaining bankroll money will be transferred into the contestant's NYRA Bets account. Contestants will be notified of the action by phone or via email at the time of occurrence.

5. PLAYING ONLINE

Prior to the start of the Tournament, each contestant will be issued one (1) Tournament account per entry containing the contestant's live money bankroll of \$40. Contestants must place all Tournament wagers through their assigned Tournament account(s) as directed by the Website. Wagers placed in any other manner, including through a contestant's regular wagering account or via telephone, will not qualify as Tournament wagers. Contestants will not receive a contestant card and will not be permitted to place Tournament wagers on-track via a self-service terminal. Contestants can review their placed wagers and current bankroll via their Tournament account.

Please note that contestants participating in the Tournament will be required to use the NYRA Bets interface. Contestants will not be able to participate in the Tournament using the "Classic" or "NYRA 2" interface.

6. SCORING & CONTESTANT STANDINGS

Each contestant will begin the Tournament with a score of 40 Tournament points (based on the initial bankroll of \$40) per entry. Tournament Scores will be based on a contestant's bankroll with 1 point equivalent to \$1.00 of bankroll and .01 of a point equivalent to \$0.01 of bankroll ("Tournament Score"), subject to any applicable adjustments and/or penalties and all other terms and conditions of these Official Rules and the Website. For contestants playing more than one entry, each entry will be scored separately. Pari-mutuel wagering payoffs are based on payoffs as per the tote system at the NYRA track. There are no caps on payouts.

Tournament officials will endeavor to post provisional standings displaying contestants' registration names and Tournament Scores ("Leaderboard") online at www.NYRA.com/Challenge. The Leaderboard will be updated after the results from each Challenge Race are declared official at the applicable NYRA track. Issues related to IRS withholding, late scratches or other matters may delay the posting of updated Tournament Scores to the Leaderboard. All standings remain unofficial until the final results have been audited and are posted. Contestants are encouraged to maintain an accurate record of their wagers and Tournament Scores.

7. WINNER SELECTION & PRIZES

Of each \$80 buy-in, \$40 will be placed in the prize pool ("Prize Pool") with the total retail value of all prizes available in the Tournament determined by the total number of registered entries. Once the Prize Pool collected reaches \$1,000 dollars, a free entry into the \$1,000 Saturday contest will

be added to the Tournament prize list. For each additional \$1,000 in Prize Pool collected, an additional free entry to the \$1,000 Saturday contest will be added to the Tournament prize list. Any remainder not divisible by \$1,000 will be paid to the winner with the highest Final Tournament Score. By way of example, if there are 60 registered entries in the Tournament the approximate retail value of the Prize Pool will be \$2,400 (60 entries x \$40). Two players would win an entry to the \$1,000 Saturday contest (2 entries x \$1,000 = \$2,000) with the remaining \$400 going to the contestant with the highest Final Tournament Score. One hundred percent (100%) of the Prize Pool will be paid out to eligible winning contestants in cash (the “Prize Money”) and Tournament prizes, based on the payout structure set forth below.

The order of finish will be determined by contestants’ Tournament Score after all eligible Challenge Races have been deemed official by the NYRA track (the “Final Tournament Score”). Final Tournament Scores will become official following an audit by the Sponsor, which shall be completed within twenty-four (24) hours following the conclusion of each Tournament. Winners will be notified via e-mail following the audit and the official standings will be posted online no later than the Tuesday following each Tournament.

The cash Prize Pool will be divided as follows in order of finish based on contestants’ Final Tournament Scores:

Place	Prize	<i>Cash Winnings</i> <i>*Based on 60 Entries*</i>
1 st	\$1,000 Saturday Contest Entry	\$ 400 estimate
2 nd	\$1,000 Saturday Contest Entry	\$0

In the event of a tie, the Prize Money for both (or all) tied positions will be combined and divided equally among the tied contestants. In the event of a tie for the final \$1,000 Saturday contest entry, all tied contestants for the final contest entry will receive an entry into the \$1,000 Saturday contest.

All winners will be unofficial pending the verification of eligibility and confirmation that all wagers were made in accordance with these Official Rules. The decision of the Sponsor in all matters related to the Tournament is final.

Winners are responsible for all applicable federal, state and local taxes, if any, as well as costs and expenses associated with prize acceptance and use not specified herein as being provided. Failure to comply with the Official Rules will result in forfeiture of the prize.

At the conclusion of each Tournament, each contestant acknowledges and agrees that Sponsor shall have the right to transfer any funds remaining in the contestant's Tournament bankroll account to their NYRA Bets wagering account. Such transfer shall be completed within seven (7) days following the conclusion of the Tournament. Prize Money will be paid out to the winning contestant(s) via check within fourteen (14) days following the conclusion of the Tournament. A contestant that wishes to have their Prize Money paid by deposit into their NYRA Bets wagering account must notify Tournament officials in writing upon conclusion of the Tournament.

8. IRS WITHHOLDINGS

If a portion of a contestant's pari-mutuel payout is withheld in accordance with IRS (or similar state) withholding requirements, such deduction will be disregarded for purposes of Tournament scoring and the gross amount of the contestant's winning wager will be reflected in their Tournament Score. Please note that only the net amount of the winning wager (*i.e.*, the amount deposited into the contestant's bankroll after required IRS withholdings) will be available for purposes of wagering in the Tournament. Sponsor is not responsible for a contestant failing to place any wager due to winnings being withheld.

9. GENERAL TERMS AND CONDITIONS

Collusion of entries between or among contestants is prohibited, as is any attempt to manipulate the results of the Tournament. Sponsor reserves the right to disqualify any individual it finds, in its sole discretion, to be tampering with the entry process or with the operation of the Tournament or Website, or to be in violation of the Website's terms and conditions or acting in violation of these Official Rules.

In order to be eligible to receive prizes, each winner agrees, (a) to provide such identification and/or documentation as may be requested by Sponsor to verify the information provided by such winner at the time of registration and (b) to execute an Affidavit of Eligibility, General Release of Liability, Indemnity and Publicity Consent (where lawful), which shall be returned to Sponsor within the indicated time period. Non-compliance with this requirement or return of prize notification as undeliverable will result in disqualification and prize forfeiture, with an alternate winner being selected from all remaining eligible contestants in accordance with these Official Rules. Each contestant must enter the Tournament under their true legal name and Social Security number. If Sponsor determines, in its sole discretion, that a contestant has entered the Tournament under a fraudulent name and/or Social Security number, such contestant will be immediately disqualified from the Tournament and from all future tournaments conducted by Sponsor.

By entering the Tournament, each contestant agrees, to the use by Sponsor, its subsidiaries, and affiliates of such contestant's name, voice, image, and/or likeness for publicity, promotional, and advertising purposes in any and all media now or hereafter known, throughout the world in perpetuity, without additional compensation, notification, permission, or approval, and, upon request, to the giving of consent, in writing, to such use.

10. REFUND POLICY

In the event a registered contestant can no longer play in the Tournament, full refunds will be made if notification is received by NYRA officials prior to the post time of the first Challenge Race on the day of the Tournament.

11. INDEMNIFICATION

By registering for the Tournament, each contestant agrees (a) to abide and be bound by these Official Rules, the Website's terms and conditions and to waive any right to claim any ambiguity or error therein or in the Tournament itself, and to be bound by all decisions of the Sponsor and Tournament officials, which are final and binding in all respects; and (b) to release and hold harmless Sponsor, its subsidiaries, and affiliates and each of their respective directors, officers, employees and agents from any and all liability for any injuries, loss or damage of any kind to persons, including death, or property damage, resulting in whole or in part, directly or indirectly, from acceptance, possession, use or misuse of any prize, or participation in the Tournament.

12. LIMITATIONS OF LIABILITY

Sponsor, its subsidiaries and affiliates, and their respective employees, officers, directors and agents assume no responsibility or liability for (a) any incorrect or inaccurate information, or for any faulty or failed electronic data transmissions; (b) any unauthorized access to, or theft, destruction or alteration of entries at any point in the operation of the Tournament; (c) any technical malfunction, failure, error, omission, interruption, deletion, defect, delay in operation or communications line failure, regardless of cause, with regard to any equipment, systems, networks, lines, satellites, servers, camera, computers or providers utilized in any aspect of the operation of the Tournament; (d) inaccessibility or unavailability of any network or wireless service, the Internet or website or any combination thereof; (e) suspended or discontinued Internet, wireless or landline phone service; or (f) any injury or damage to contestant's or to any other person's computer or mobile device which may be related to or resulting from any attempt to participate in the Tournament or download of any materials in the Tournament.

If, for any reason, the Tournament is not capable of running as planned for reasons which may include without limitation, weather, an act of god, infection by computer virus, tampering, unauthorized intervention, fraud, technical failures, or any other causes which may corrupt or affect the administration, security, fairness, integrity or proper conduct of the Tournament, the Sponsor reserves the right at its sole discretion to cancel, terminate, modify or suspend the Tournament in whole or in part. In such event, Sponsor reserves the right to award any remaining prizes in a manner deemed by Sponsor, in its sole discretion, to be fair, appropriate and consistent with these Official Rules and Sponsor, its subsidiaries and affiliates, and their respective employees, officers, directors and agents shall have no further liability to any contestant in connection with the Tournament.
